

From WSOTC President

Nancy Light

In July, the Board sent a letter to all members of WSOTC outlining problems with the club and laying out the possibility of actually dissolving. Seven people responded with very thoughtful suggestions, and I confess we have not really done much with implementing some of those. (A couple responded to me privately, and a few members have also spoken to me privately.) As Tracy Thorleifson suggested often happens, the Board gets so caught up in the immediate events and issues, we don't set aside enough time for thoughtful planning and reflection.

No one who responded or spoke to me thought we should end. Glen Ferguson suggested having a meeting to discuss the future of WSOTC (and even

Please attend the October member meeting Thursday, October 18, at 7:30 p.m. at the Meadowbrook Community Center and assist in answering this question.

WSOTC July 2012 Agility Trials Report

As the trial chair for the WSOTC 2012 Agility Trials held July 13, 14 and 15 at Argus Ranch in Auburn, WA, I want to thank everyone who entered the agility trials and more especially those members who assisted with the all of the work that is required to make the agility trials run smoothly and successfully. A huge thank you to WSOTC members Nancy Light, Wanda Diemert, Dick Ashby and Marilyn Ashby for all of the jobs that you performed all three days of the trials; everything from bar setting, chute fluffing (a thankless job, at best!), course building, moving equipment, check writing, question answering, ribbons, and running the drawings, to tear down on Sunday evening. A special thank you to WSOTC members Kathy Weaver and Nova Berkshires: They did not run their dogs but were there only to support the trials in so many ways. You are all much appreciated!

volunteered to make calls to get people to attend.) Too many meetings have had only the Board there so we have a hard time gauging how the membership is really feeling about things, and whether or not there truly is enough interest in keeping WSOTC going. We will devote the October meeting to discuss these issues, the strengths and weaknesses of our organization, what kind of planning can we do, what resources do we have? That was originally supposed to be the Silent Auction meeting and we may need to delay that.

To summarize our status, our finances are actually in fairly good shape: We have chairs for tracking (fall of this year and likely two tests in 2013), and obedience and agility trials in process for 2013. We have a pretty full slate of classes for the fall. But it's still a struggle to get those chairs, and I am not even sure we will be able to have a full Board for next year. We need some direction from the membership. Dissolution is still a possibility. Please try to clear your schedules for October 18 at the Meadowbrook Community Center. We'll have more on this in the next newsletter. And make sure you have Doggie Game night also on your schedule for September 20, 2012, at Sharon Colvin's. 

Response to President's Letter About WSOTC's Future

Hello Nancy, the board, and all:

I switched to associate membership and have not been participating much the past few years because of other obligations and the commute. However, I do value my membership in WSOTC. So even if it's a little presumptuous given my recent lack of participation, you said that silence would speak loudly, and since I AM still interested, here goes.

I would suggest setting a "re-boot" agenda for a general meeting for the purpose of determining the future of the WSOTC or, if there seems no future, to discuss starting to wind it down. Of course, we would need as many members as possible to attend for it to be productive. However, just putting out the word is not enough. In my experience people do not respond as well to general pleas or announcements as they do to specific personal invitations. Accordingly, if we go that route I would volunteer to take a part of the phone list, to help call and talk directly to club members and invite them to the meeting and get a "yes," "no," or "maybe" about attending. A re-boot meeting should include discussion of:

1. What is the purpose of the club?

2. What positions are necessary to fulfill that purpose?
3. Do we have personnel qualified and willing to fill those positions?
4. What is the minimum number of active members necessary for WSOTC to remain viable to fulfill its purposes?
5. Will members actually commit to take on a necessary position, and/or attend meetings to ensure a quorum at every meeting?

It is not even necessary for folks to commit to attend every meeting. If we had members just commit to attend a certain number of meetings a year we could probably have a quorum at most meetings. Similarly, it is not necessary to volunteer to do a lot of things. If folks will commit to taking on just one thing or position, or even agree to share responsibility for one thing or position, that would immediately boost participation.

Anyway, those are my thoughts, for what they are worth. I know I would be willing to take on a little bit, and come to some meetings, if it would contribute to an active and vibrant WSOTC.

The words thank you don't seem to be enough for our Course Builders Stephanie Rainwater, Donna Sand, Teresa Brown (who also brought Starbucks coffee for everyone each morning) and Chief Course Builder Extraordinaire Duane Timmons all from Sno-King Agility Club.

With the more than able assistance of Kathy Weaver, Wanda Diemert and Nancy Light, all courses were up and ready for the judges on time each morning and throughout all of the course changes each of the three days. Our chief ring stewards, also from Sno-King Agility Club, Shannon (I keep forgetting her last name) and Shari Banks, did a great job of keeping the rings staffed and running on time, even at the end of each day when staffing the Novice and T2B classes is always very difficult. Without the members from Sno-King Agility Club who volunteered to support the WSOTC trials, we could not have run these trials.

The weather held fairly well for all three trial days. Though cloudy each morning, it did not rain on us any of the three days (thank you to those who dutifully performed the dance for the sun god!) and was quite humid in the afternoons. Joan Cook again provided food for all three days and everyone enjoyed it, as usual. Donations for food were up this year and we were under budget for this service.

The judges, Megan Schafer from Casper, Wyoming, and Paula Ratoza from Portland, Oregon, presented pleasantly challenging courses that were nicely wheeled for both small and large dogs. The Argus grass was green and lovely to run on for both people and dogs, and DRY (no injuries to either dogs or runners at these trials!).

For those who are wondering – Megan thankfully did make her flight at SeaTac early Sunday evening and the connection in Denver. She was home in Casper by 11:00 p.m. and happy to be there.

Of course, if you would like to volunteer to assist with next year's trials, you are also more than welcome and should contact me. If anyone has a favorite judge you would like to see at the 2013 trials let me know as soon as possible so that I can contact him or her.

Thank you everyone who was involved with these trials in any manner!

AKC News

Revisions to the Obedience Regulations

Effective July 1, 2012

This insert is issued as a supplement to the Obedience Regulations Amended January 1, 2012, Chapter 1-General Regulations, Section 16a. Transfers (formerly Move-ups).

- The club will clearly state in its premium list whether transfers will or will not be allowed. If no statement is provided in the premium list the default is to allow transfers.

- After a dog earns a title, it may be transferred to another class in a future trial, even though the closing date for the trial has passed, provided the club offers transfers.

- A transfer (i.e., from an obedience class to an obedience class; or a rally class to a rally class) may be requested if, according to the owner's records the handler and dog are eligible and the dog has completed the requirements for the title after the closing date of the trial in which the advanced entry is to be made.

- The request for a transfer must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial.

- Transfers may be approved provided the class and judge are available, and the class has not reached its limit.

- Movement between an "A" and "B" class at the same level is not considered a transfer – refer to Chapter 1, Section 16b.

New AKC Family Dog Program

The Board reviewed a new initiative designed for pet dog owners that will encourage training and the testing for basic skills that make dogs enjoyable family companions and friendly community members.

Continued on next page.

New AKC Family Dog Program

Continued from previous page.

Following a motion by Mr. Powers, seconded by Ms. Scully, it was VOTED (affirmative: Mr. Powers, Ms. Scully, Mr. Gladstone, Mr. Ashby, Mr. Amen, Mr. Kalter, Dr. Smith, Dr. Battaglia, Ms. Cruz, Mr. Feeney, Dr. Newman, Mr. Arnold; opposed: Dr. Garvin) to consider the matter at this meeting, waiving the usual prior notice requirement.

Following a motion by Dr. Smith, seconded by Ms. Scully, it was VOTED (unanimously) to adopt the following AKC Staff recommendations, effective January 1, 2013.

(1) Initiate a new program in the Companion/Performance Events Department called the Family Dog program. The purpose of the Family Dog program is to encourage the training and testing for basic skills that make dogs enjoyable family companions and friendly community members. The program offers a conceptual break-through for the AKC in that it focuses on activities desired by the average pet dog owner. Activities in the Family Dog program can be characterized as noncompetitive, enjoyable, furthering the bond between dog and family, open to both purebreds and mixed breeds and readily available in the community. The value of providing this type of activity was recognized when the AKC Therapy Dog program was launched in 2011. The AKC Therapy Dog title can appropriately be considered the first title in the Family Dog program.

(2) For the next Family Dog title, award the suffix title "CGC" to dogs that pass the Canine Good Citizen® test. The CGC program provides an activity that is desired by the dog owning public which the Family Dog program targets. They are proud of their CGC dogs and many owners desire to have this accomplishment officially recorded by the AKC. There will be a \$12.00 fee to do this in addition to the \$8.00 now charged for a CGC certificate. Moving forward, the CGC test will be held to a higher standard by requiring the signature of an observer on the evaluation form and by requiring both new evaluators and experienced evaluators at the time they re-apply to view a video of a passing CGC performance and attest that they will strive to achieve this quality of testing. Dogs must be registered or listed with the AKC to receive the title. Owners whose dogs have passed the CGC test since January 1, 2001 may apply to have the title added to their dog's record. A nominal processing fee will apply. (Note: The CGC has *not* been a title up to this point, just an award. -- Sue)

Triathlon (Versatility) Title

Based on a request from the Board, Staff researched the potential of a triathlon title. The concept was evaluated based on the parameters that a dog would earn this title by placing in a variety of events. Staff outlined the issues that were identified with moving forward with this concept. Staff was directed to look into a titling program to recognize dogs that had received titles in three different types of AKC events. The three titles would have to be in different types of activities and not just different levels within the same activity. 

2013 AKC OBEDIENCE CLASSIC WELCOMES ADDITIONAL COMPETITORS WITH NEW MASTERS CLASS

Eligibility Criteria Also Updated

New York, NY —A new Masters Class added to the inaugural AKC Obedience Classic slated for December 2013 in Orlando, Florida, as well as revised eligibility for the Novice, Open and Utility classes, will give more Obedience exhibitors a chance to compete, the American Kennel Club® announced today.

"With the eligibility criteria as it was originally established, we determined that there would be a large group of Obedience Trial Champions that would not be eligible to enter the 2013 Obedience Classic, and also would not be ranked high enough within their breed to be invited to the 2013 National Obedience Championship," said Pamela Manaton, Director of Obedience, Rally and Tracking. "As a result, we created a new Masters class that will allow OTCH titled dogs to enter and compete if they meet the eligibility."

The inaugural 2013 AKC Obedience Classic will take place December 14-15, 2013 in Orlando, Florida in conjunction with the 2013 AKC/Eukanuba National Championship and the 2013 AKC Agility Invitational. It will offer four class levels: Novice, Open, Utility and Masters, open to all dogs who meet the qualification criteria in the qualifying period of July 1, 2012 through June 30, 2013.

The 2013 event eligibility requirements are as follows:

I. Novice Class Eligibility

Continued on next page.

New AKC Masters Class*Continued from previous page.*

- a. Must have earned a CD title during the qualifying period.
- b. After earning the CD title, a dog must earn three (3) more qualifying scores in the Novice class (A and/or B), or one (1) HIT award, during the qualifying period.
- II. Open Class Eligibility
 - a. Must have earned a CDX title during the qualifying period.
 - b. After earning the CDX title, a dog must earn three (3) more qualifying scores in the Open class (A and/or B), or one HIT award, during the qualifying period.
- III. Utility Class Eligibility

 - b. A dog must earn six (6) qualifying scores in the Utility class (A and/or B) during the qualifying period.

Rally Freestyle Elements Workshop

A new dog sport

By Kathy Weaver

Rally Freestyle Elements is a new dog sport that looks like it'll be a lot of fun . . . sort of a "creative" way to do rally.

Ready for new challenges in rally? Rally Freestyle Elements (Rally-FrEe) combines the traditional rally format with canine musical freestyle tricks and behaviors. In two upcoming workshops Julie Flanery, CPDT-KA will present Rally-FrEe rules and guidelines, explain and demonstrate Novice and Intermediate Level signs and work with attendees using her progressive training methods to train tricks and novel behaviors for competition. Working teams will practice a novice level course.

Julie has titled dogs in obedience, rally-obedience, agility and musical freestyle. Her freestyle wins include over 30 first place medals, multiple high technical and high artistic merit awards, championships in both Musical Freestyle and Heelwork-to-Music. She has been named the World Canine Freestyle Organization's (WCFO) "Trainer of the Year" and is a freestyle judge. "Her energy and enthusiasm are un-matched! Little Border Terrier, Gracie, earned two titles at the Puyallup cluster June 9/10. Saturday she completed her RE and Sunday her BN. Some of you may remember Gracie was the little girl who was lost for 8 days in 2006. Whatever happened during that time, she became nervous and especially alert and barky when she saw a big black dog at a distance (not to meet though - close ups are good). We were very pleased that Gracie didn't have any reason to be frightened this weekend. She is now Ch Frontier Rose's Amazing Grace RE BN CGC (pending AKC records). *Kathy Teufel*
