PREZ'S MESSAGE

Congratulations to all who earned new titles and successful legs in the month of February! I hear that among our club members we have a new MACH, OTCH and HIT's. Please share your success in the newsletter. You are inspiring the entire club!

On the agenda for the March 6 membership meeting is the topic of handicapped dogs competing in obedience. Our delegate wants to hear from our club as he may be asked to vote as soon as March 8. This topic has been the subject of heated debate. A tripod dog was allowed to earn a virtual Beginner Novice title during the pandemic lockdown. A tripod terrier has been allowed to run in agility. However the official process the AKC goes through, gathering information as well as opinions on the welfare and ability of these dogs to perform needs to be adhered to. As a member club it is our responsibility to aid in this process and instruct our delegate. Please think this through and share your thoughts.

Be sure to contact Sue Cox to volunteer as a steward at our Spring Trial, April 2nd and 3rd. I look forward to seeing many of you there.

Terrie
