## **MESSAGE FROM THE PRESIDENT**

Hope you all had a pleasant holiday season. For those of you getting your dogs ready for the 2015 year, whether it be obedience, agility, tracking, or one of the many other canine sports now available in AKC and other venues, I'm wishing you a successful year whatever that may mean for you. And of course I hope you, your family and canines, have a healthy and fun year.

WSOTC has continued to grow in membership and 2014 saw very successful events in obedience, rally, agility, and put on a wonderful seminar with Connie Cleveland and also successful C matches. In 2015 we will continue with those events, including a seminar with Laura Romanik. Flyer will hopefully be attached to this newsletter, the website, and will be at the Puyallup trials. Keep in mind that WSOTC members who work on the seminar committee will have preference for the working spots until February 15, after which all others on a first come first served basis. If you would like to volunteer for the committee, please contact me at 425-354-3609 or [kylahgold@aol.com](mailto:kylahgold@aol.com)

## *The newsletter wants your brags!!*

As your newsletter editor, I would love to get and publish your brags (with photos if possible)! I'm having trouble posting right now to the yahoo group, so please consider this a reminder and send them in to my email at [burns.laura@comcast.net](mailto:burns.laura@comcast.net).

**President's message continued**

Other things to keep in mind—awards applications will be open until January 14. You must be a member to apply, so if you have not renewed your membership, please do so. The application is on the website. If you are renewing as a full member, make sure you plan to come to meetings. While we are waiving the requirements for full membership for 2015 (at least three general meetings and one service to the club) , they will be in force for 2016.

Check out the members only section of the website. The budget for the Spring Obedience/Rally trial is there, as well as the budget for the Laura Romanik seminar. They will be voted on at the January meeting. I believe we will also be voting on judges for the Spring 2016 Obedience/Rally trials. The website has been updated so be sure to go to [WSOTC.org](http://WSOTC.org) to see the upcoming events and meetings.

## *Nikki King and Gully's TDX brag!*

October 25, 2014 was a very, very stormy evening. My power went out during the night and I needed to be up very early and on my way to a TDX test in Monroe. My Schipperke, Gully washer, was lucky to have his name drawn for one of the 2 spots in the Evergreen Golden Retriever Club, held at Werkoven Dairy and Greenleaf Farm in Monroe. (Not 1 Golden entered for TD or TDX). I allowed plenty of time for the drive from my home, 10 miles S of Tumwater. It was nasty! In Fife, an engine light went on in my VW Beetle. Yikes, what the??? Stopped at rest area and when I turned the car back on, no light. Few miles later, went on for about 5 mins, then off and not happened since. I almost turned around. Not knowing where I was going, couple "scenic routes" taken. Found it with plenty of time to spare.

We had track 2. When I watched #1 being run, I could see his track and wondered if that would be the case with ours. Lush green grass, totally unfamiliar to which we normally see. I attached Gully's line to his harness shortly before the start flag and he bolted down the track before I even got to flag. He was flying and I was being dragged behind him..huffing and puffing (old ladies in mid-seventies are not always in great physical condition!) He found his 1st mid-article, cross-track, then a farm road w/buildings and mounds where critters might be hiding, slowing him down. He had to work the area, then again said "this way" and off I was dragged. Just before the end, at a house, a rooster started crowing. He came out of his coop, quite close to us, crowing, crowing. Gully has never seen a rooster and was so excited. I really, really had to work hard to get him back in focus to finish his last 50 or so yds to his glove and TDX..with rooster still crowing!

Gully is the 2<sup>nd</sup> Schip TDX in the history of the breed. He is my 3rd TDX, the others were my Std Wire-Dach and my CT Manchester Terrier. My 1st TD was a Schip in 1988.

Judge Jill Jones, Nikki & Gully, Judge Franna Pitt

### **From the Spring Trial chair:**

Thanks to all of you who generously donated to the trophies and Friends of Obedience for the trial. We are giving cash awards, usually a popular choice. We will also be able to continue giving the gift bags as we did last year, also popular with exhibitors. Special thanks to Jasmine Star who did an awesome job contacting members for the donations. It's a job most people don't like, so I am very grateful she took in on, especially with such enthusiasm. We are doing pretty well for workers, but do need help with: stewards--contact Linda Shea; set up and take down--contact David Jackson; judges and workers lunch--contact Ingrida Robinson. I am working on the premium list, which should be out in February. We have great judges--Carol Callahan, John Cox, Patricia Gannon, and Richard Strong. This should be a wonderful trial, probably our last year at the Fairgrounds. So work hard with your dogs to get them ready!

Sorry this all is so late. I had to work on those flyers, and get ready for the Board meeting tonight. Too much to do!

Nancy

### *WSOTC TDX Test Report by Nikki King, Test Secretary*

A TDX test was held at JBLM on December 7, 2014. It has been a few years since we were able to have the use on base. However, the tracking committee decided last December to try again. The area is just so great for tracking and well worth the effort. Much of the great tracking areas at the fort are now closed to all recreational activity, but we scored and had area #13! Details on putting on tests have gone by the wayside in past several years so a new tracking committee has been busy. The committee consists of Sil Sanders, Lynn Brimmer, John Heinrich, Marta Brock, Barbara Reed-Stamp, Jo Bott and Nikki King. For this test, Jo Bott did a great job for her first time as chair, Sil was chief track-layer and was so capable in keeping things moving. Nikki & Marta (with Marta's rv) did hospitality, John/Barbara were drivers/track-layer and Ric & Julie Ferado were there to make trophies. (unfortunately, he did not get to show his skills ) One of the biggest hits was our renting a porta potty!

The weather was coolish on Sat w/a little rain & wind. Sun, was one of those perfect days..sunny, no wind, clear and since area was closed, no unwanted visitors. There were 12 entries for the 6 slots. The breeds in the test: Belgian Sheepdog, Smooth Fox Terrier, Rhodesian Ridgeback, 2 Std Poodles and a Std Wirehaired Dach. A couple of dogs were oh so close, but we had no passes. But, it was a great test. Judges Franna Pitt of Auburn and Kyla Smay from Cal were all business and got the challenging tracks in and showed lots of patience. People were very happy and loved the site. If I do say so myself, food was also yummy, hot and filling

It was so nice to have such a great group of workers, with even some club members venturing into new territory in helping at a tracking test.

Heartfelt thanks to workers, hoping I have not left out anyone: Jo Bott, Linda Shea, Debbie Addicoat, Sil Sanders, Marta Brock, John Heinrich, Barbara Reed-Stamp, Laura Burns, Jeff Hill, April Caron, Veda Viles, Maureen Fielding, Laurel Whatney, Tom Taylor. I had totally new job as secretary.

More tracking events to happen this year. If you aren't doing anything in the club, volunteer to help!! It really does take a lot of people and it is fun!!
